

The Board Meeting of the Board of Trustees met in the Municipal Building, 14 Baker Street, Patchogue, New York on Monday, January 9, 2023 with public viewing through video streaming on YouTube and in person.

The meeting was called to order at 6:00 p.m. by Mayor Pontieri with Deputy Mayor Krieger and Trustees Brinkman, Carillo, Ferb, Keyes, McHeffey, Village Attorney Egan, Village Treasurer Krawczyk, Village Clerk Devlin, and Deputy Village Clerk Braile present.

The flag salute was made and the safety message was given.

Village Clerk Devlin asked the Board to approve Board Meeting minutes from December 12, 2022.

Upon a motion by Trustee Ferb, seconded by Trustee McHeffey, and unanimously carried, the Board approved the Board Meeting minutes from December 12, 2022.

Village Treasurer Krawczyk stated the total bills for the period ending January 9, 2023 were \$1,457,011.03. The five largest bills were as follows: \$388,185.00 for Patchogue Fire Department Ambulance; \$149,023.08 for Rosemar; \$27,171.88 for H2M; \$19,577.65 for Richard Rossi.; and \$18,561.14 for Fence Man.

General	\$1,139,427.46
Trust & Agency	\$36,737.35
Cap Projects	\$168,316.08
Sewer Fund	\$96,300.50
B.I.D. Fund	\$5,720.47
Housing Fund	\$ 0.00
CDA Fund	\$10,229.17
General Bills	\$ 280.00
Totals	\$ 1,457,011.03

Upon a motion by Trustee Ferb, seconded by Trustee McHeffey, and unanimously carried, the Board approved payment of the bills as presented.

Village Treasurer Krawczyk then reviewed the cash balances as of November 30, 2022.

Dennis Smith reviewed the BID and Special Projects report. Mr. Smith noted that the BID was moving into summer planning mode and had sent quote requests out for the hanging baskets in December. Quotes were due back by January 19, 2023, and he hoped to receive more than one quote to provide a choice. The vendor would be chosen by February. Mr. Smith then noted that the Village's Sunday Market had won the Bethpage Best of Long Island Award for the second year in a row, and he congratulated all who had helped to make this a success. For the upcoming year, he would like to change the time frame and have the market start and end later, probably from the end of June through Thanksgiving. The reason for the change was due to the difficulty of providing produce ready for sale in May. Mr. Smith continued by noting that the regular monthly BID Board meeting would be held the next day with Christmas/holiday decorations as one of the agenda items to be discussed. Several wreaths currently being utilized were about twenty (20) years old, and he indicated that about five or six decorations were generally replaced on a yearly basis. For the upcoming year, after consultation with the Mayor, consideration was being given to changing the look to stars, candy canes, or perhaps a different type of wreath. He had met with the Village's most recent decoration supplier and reviewed the wreath placements before they were taken down. Suggestions for alternatives were expected shortly. The cost for this change would probably be approximately \$40,000, but it was hoped that this would be a joint venture between the Village and BID. Though the BID had started the current program, it was hoped to split the cost of new, fresh decorations to a 60%/40% split. Mr. Smith indicated that Johnson Controls was still waiting to receive three (3) EV charging stations, two (2) for Oak Street and one (1) for DPW. These were back ordered until March 2023. The project could not be closed out until these were received and installed, but there were also a few items that still needed to be done at the Theatre. Hopefully, those items would be completed by the end of this month. The next meeting with Johnson Controls would be held next Tuesday, January 17th. Mr. Smith indicated that the good news was that dramatic energy savings were being seen in all of the buildings where solar panels had been installed, and these savings would continue to be

tracked over time. He noted that the Commercial Dumpster Study had been completed, and he believed that the recommendations made and accomplished so far were working. There had been a good response from the carters so far, and the dumpster areas in general were improved in appearance. He had obtained quotes to replace the fencing on three sides of the Church Street dumpster area. The cost of this would be divided up between the nine carters who provided these dumpsters. He believed that both the carters and customers were paying more attention to keeping the dumpster areas clean. There was still an issue with illegal dumping, but conditions had improved. In addition, he was working with DPW to try and send a Village truck to monitor the dumpster areas on a weekly basis. When illegal trash was present, it gave the customers who utilized the dumpsters an excuse to leave their trash on the ground, so keeping on top of and eradicating illegal dumping would help as well.

Deputy Mayor Krieger inquired if any illegal dumpers had been caught so far. Mr. Smith noted that a valid license plate number on a truck had been obtained and given to the Building Department which had tracked down the individual. It had turned out to be someone who was authorized to use the dumpster. Signs would eventually be installed on the dumpsters stating that it was a violation to dump illegally, and violators would be prosecuted with the fine being up to \$1,000. Deputy Mayor Krieger inquired if cameras could be placed in these areas. Mr. Smith indicated that placing cameras with the required infrastructure (electricity and WIFI) in these three areas would cost approximately \$100,000 which was not available at the present time. Mayor Pontieri indicated that there were already cameras in place that covered some of the dumpster areas. Unfortunately, it would probably not be possible to get a plate reading from those cameras. Mr. Smith expressed hope that perhaps grant funding could be obtained in the future to begin such a project. Trustee Ferb noted that any type of video surveillance that was nearby should be a deterrent. Mr. Smith indicated that he would have no problem putting that information on the sign as long as it was legal to do so. Trustee Ferb asked for confirmation that there was a camera in the Church Street lot. Mr. Smith stated that there were actually two (2) cameras that provided views of the Church Street lot. Trustee Ferb inquired as to how many total cameras the Village now had. Mr. Smith indicated that the Village had 108 views available since some cameras provided more than one view including the wastewater treatment plant, Shorefront Park, Mascot Dock, Father Tortora Park, Village Hall, and most of the Main Street area. The cost of the cameras was not insignificant, but he was glad that the BID had initiated this program about ten or twelve years ago.

Mr. Smith then wished the Board a Happy New Year.

David Kennedy reviewed the Chamber of Commerce report and wished everyone a Happy New Year. Mayor Pontieri congratulated Mr. Kennedy on a successful Midnight on Main event. Mr. Kennedy first thanked Mr. Smith and the Board for the improvements already being seen in the dumpster areas since the new regulations had been passed and noted that he had not received any complaints since changes had been implemented. He then expressed his appreciation to the Mayor and Board for their support of Midnight on Main. There had been several challenges going into the event, especially with the weather, but neither the wind nor temperature had not been problematic. Everyone who attended had a great time, and many of the bars and restaurants had customers for the entire evening. He believed at least 1,000 people were in attendance, and he again expressed his appreciation for all the assistance provided by the Village in making this one of the premier events in the community.

Deputy Mayor Krieger commented that the Grucci display was especially impressive this year. Mr. Kennedy concurred that they had gone above and beyond what the Chamber expected. The finale was particularly spectacular. Mayor Pontieri indicated that you knew you had a special event when other communities started to copy it. Mr. Kennedy agreed and noted that they were even using the same time frame of having it at 9:00 p.m. This time also prevented competition with the restaurants who wanted their customers to stay there at midnight and actually helped them to get customers. Mayor Pontieri noted that it was nice for kids to be as close as possible to fireworks as had been done in the past. Mr. Kennedy also expressed his appreciation to the Fire Department for their support in getting volunteers out on New Year's Eve for this event. He continued by noting that the Chamber's next membership meeting would be held on Tuesday, January 24th at lunch time at Chase Bank, and he invited the Board to attend. Alive After Five planning was underway, and he would be reaching out to work with Bill Hilton to get plans finalized. He believed that last year's plans would be utilized with some minor adjustments proposed such as starting and ending a bit later. Mr. Kennedy indicated that the next big event

would be the St. Patrick's Day Parade which would hopefully be held on Sunday, March 19th. Approval for this and the May the Road Rise to Meet Ye race was on tonight's agenda as well as the St. Liberata Feast for September 9th with a rain date of September 16th.

Trustee Ferb asked the Board to approve street closures for the St. Patrick's Parade and May the Road Rise to Meet Ye Two (2) Mile Race.

Upon a motion by Trustee Ferb, seconded by Trustee Brinkman, and unanimously carried, the Board granted approval for the following street closures on Sunday, March 19th, from 11:00 a.m. to 2:00 p.m. for the St. Patrick's Parade and May the Road Rise to Meet Ye Two (2) Mile Race (kick-off at 12 noon) pending receipt of a Special Events Permit Application for the race.

Trustee Ferb asked the Board to approve the date and street closures for the Italian Feast of St. Liberata.

Upon a motion by Trustee Ferb, seconded by Trustee Carillo, and unanimously carried, the Board granted approval of Saturday, September 9th (rain date Saturday, September 16th) for the Italian Feast of St. Liberata with the following road closures: Main Street to Rt. 112, West Ave, Lake Street Circle to Division Street and Railroad Ave, Main Street to Septhon (Unity Place), pending receipt of a Special Events Permit Application.

Mr. Kennedy indicated that he would be meeting with Trustee Carillo shortly to set the date for the next Hispanic Heritage Parade. He noted that Newsday did a recap of prominent events for the past year, and the Village had been featured in it for this year's parade thanks to Trustee Carillo's efforts. Mr. Kennedy then announced that the Grand Marshal for this year's St. Patrick's Day Parade would be Deacon Marty McIndoe from St. Francis De Sales Church. Deacon Marty was very active in the community, and the Chamber was glad to be able to celebrate him. He noted that the annual Passing of the Sash event would probably be held the last weekend of February. Mr. Kennedy then indicated that the Hero Joint had a new sandwich on their menu that had been inspired by Village Attorney Egan called the Bully which contained pork and broccoli rabe. He had been a taste tester of the sandwich last Friday, and it was delicious. Village Attorney Egan concurred that the sandwich was excellent. Mr. Kennedy then introduced the new pastor of the Our Savior Lutheran Church who was working with the Chamber.

Deputy Mayor Krieger asked the Board to approve a map and plan for an out-of-district sewer connection.

Upon a motion by Deputy Mayor Krieger, seconded by Trustee Ferb, and unanimously carried, the Board granted approval of a map and plan for 160 South Ocean Avenue for an out-of-district sewer connection.

Deputy Mayor Krieger asked the Board to set a public hearing to amend Section 415-14 of the Village Code.

Upon a motion by Deputy Mayor Krieger, seconded by Trustee McHeffey, and unanimously carried, the Board granted approval to set a Public Hearing for January 23, 2023 to amend Section 415-14 of the Village Code to prohibit parking along a section of East Sixth (6th) Street.

Deputy Mayor Krieger asked the Board to approve an agreement between the Village of Patchogue and Local 342, LI Public Service Employees, United Marine Division, International Longshoremen's Association with regard to the Highway Supervisor.

Upon a motion by Deputy Mayor Krieger, seconded by Trustee Ferb, and unanimously carried, the Board granted approval of an agreement between the Village of Patchogue and Local 342 LI Public Service Employees, United Marine Division, International Longshoremen's Association to entitle the Highway Supervisor to one (1) hour of overtime daily for each day they are physically at work one (1) hour prior to the start of the regular work day for the purpose of conducting administrative duties.

Deputy Mayor Krieger asked the Board to approve accepting the verbal resignation of a laborer from the Department of Public Works.

Upon a motion by Deputy Mayor Krieger, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to accept the verbal resignation of Tyler Goralski, Laborer, Department of Public Works, as of the close of business December 16, 2022 with regrets.

Deputy Mayor Krieger asked the Board to approve promotions.

Upon a motion by Deputy Mayor Krieger, seconded by Trustee Ferb, and unanimously carried, the Board granted approval for the following promotions: Michael Zumpol to HEO Lead Man, Michael Williams to AEO, Vincent Palumbo to Highway Swingman.

Deputy Mayor Krieger then reviewed a report which had been submitted by Jim Berberich, Chief of Public Safety. He noted that he had requested to receive this report for every Board meeting. For the two (2) week period, December 26th through January 8th, Public Safety responded to forty-four (44) calls from the dispatcher., one hundred forty-nine (149) parking summonses were written, and fourteen (14) field appearance tickets for open alcohol and public urination issued. Chief Berberich had noted that this was during the holiday period when the number of tickets issued was less than normal and also a problem with the mobile app they used had prevented officers from writing some tickets for train station parking violations. Deputy Mayor Krieger stressed that Public Safety officers were out there every day working to help the Village and Chamber. He also noted that if members of the public saw a problem, they needed to notify Public Safety so that the issue could be properly addressed at the time it occurred.

Deputy Mayor Krieger reminded everyone to visit the Patchogue Theatre's web site to see all of the new shows which would be coming there. He reviewed some of the shows that were upcoming including The Sopranos.

Trustee Keyes noted that the Village had met with representatives of an environmental group a couple of years ago which had expressed interest in installing a fish ladder at Patchogue Lake. One had already been installed in Swan Lake. This Board and the PEP Committee had submitted letters of support for them to receive a grant for this project, and last month, they were notified that they had received the grant for the design phase. Once the design was completed, they would be submitting a grant for the actual construction of the project. They had expressed their appreciation for the support of the Board and the PEP Committee for their assistance in obtaining the grant.

Trustee Keyes then indicated that he had received the final report from the Bike Share Program. Patchogue Village was holding steady in third place for program usage behind the Village of Babylon and the Town of Riverhead. Mascot Dock had the fourth highest usage in Suffolk County as a whole. Trustee Keyes noted that the coordinators of the program were happy with its progress and were seeking to get more municipalities involved next year.

Trustee Keyes noted that initial work on the Splash Pad project at the Pool and Beach Club had begun. He indicated that, in the future, consideration should be given to installing some type of traffic calming devices in that area such as speed humps. It was expected that, once completed, this would attract a lot more people to the facility. There might even need to be thought given to adding parking at the Beach Club. Neighbors had already expressed concern to him about traffic issues with an increased number of children being in the area. Deputy Mayor Krieger indicated that he and Highway Superintendent Dean had been discussing the traffic issues on Maiden Lane, and hopefully, a plan could be developed to address these concerns.

Trustee Keyes asked the Board to approve purchasing a van for use by the Village electrician.

Upon a motion by Trustee Keyes, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to purchase a 2023 Ford E-Transit Cargo Van at a cost not to exceed fifty-five thousand dollars (\$55,000.00) for use by the Village electrician.

Trustee Keyes stated that this vehicle was fully electric and equivalent in power to the F250 Ford pick-up trucks which had been previously purchased by the Village. He was encouraged to put this forward and that a charging station would be installed at DPW within the next few months. Mayor Pontieri noted that this van would not be pushing snow and would be used during the day. Trustee Keyes concurred and indicated that exploration was being done to purchase other fully

electric equipment for use by DPW. Deputy Mayor Krieger inquired if anyone at DPW could make repairs to this vehicle and other electric powered equipment. Trustee Keyes stated that he had submitted information in the past on online courses which could be taken by the DPW mechanics, and he would find that information again. Mayor Pontieri suggested that he check with BOCES as well to see if they offered some type of training in this area.

Trustee Keyes asked the Board to approve hiring a Youth Winter Basketball Director and Assistant Director.

Upon a motion by Trustee Keyes, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to hire Alicia Furman as a Youth Winter Basketball Director at twenty (\$20) per hour and Michael Rooney and Cristyl Colon as Assistant Director at twenty (\$20) per hour.

Trustee Keyes asked the Board to approve hiring Youth Winter Basketball Instructors.

Upon a motion by Trustee Keyes, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to hire Pamela Furman, Luca Perricone, Selin Konakli and Nicholas Leon as Youth Winter Basketball Instructors at seventeen dollars (\$17) per hour.

Trustee Keyes asked the Board to approve hiring engineers to conduct a Storm Water Pollution Prevention Plan Review for the Living Shoreline and Little Creek Restoration Project at Shorefront Park. These engineers would be reviewing the plan to be sure that it was in compliance with DEC and Village Code requirements and perform weekly inspections as required. They would also be providing contract coordination and oversight and acting as project managers.

Upon a motion by Trustee Keyes, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to hire JPCE Consulting Engineers to conduct a Storm Water Pollution Prevention Plan Review for a lump sum of three thousand, five hundred dollars (\$3500) and to conduct required weekly site inspections at a rate of four hundred dollars (\$400) per hour inspection for the Living Shoreline and Little Creek Restoration at Shorefront Park.

Trustee Keyes asked the Board to approve a contract amendment to the Shorefront Shoreline Protection Project Engineering and Design Contract. He stressed that these funds were from a grant and not taxpayer dollars. VHB would be providing contract analysis for bids that were received for this project, and three years of monitoring after the project's completion.

Upon a motion by Trustee Keyes, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to the VHB Contract Amendment #3 to the Shorefront Shoreline Protection Project Engineering and Design Contract in the sum of two hundred thirty-eight thousand dollars (\$238,000).

Trustee Keyes asked the Board to approve a change order for Norberto Pools.

Upon a motion by Trustee Keyes, seconded by Trustee Ferb, and unanimously carried, the Board granted approval of a change order for Norberto Pools for ornamental fencing to match the existing pool fencing in the amount of two thousand, three hundred seventy-four dollars and seventy-five cents (\$2,374.75).

Trustee Brinkman wished everyone a Happy New Year.

Trustee Brinkman asked the Board to set a public hearing for a special permit.

Upon a motion by Trustee Brinkman, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to set a Public Hearing for January 23, 2023 for a Special Permit for an encroachment of a Juliette Balcony for a restaurant at 39 South Ocean Avenue

Trustee Brinkman asked the Board to approve pay for Court Officers.

Upon a motion by Trustee Brinkman, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to pay Court Officers one hundred seventy-five dollars (\$175) per court session, effective February 1, 2023.

Trustee Brinkman asked the Board to approve pay for a Court Judge.

Upon a motion by Trustee Brinkman, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to pay Court Judge Kerri Lechtrecker two hundred (\$200) per hour effective immediately.

Trustee Ferb wished everyone a Happy New Year.

Trustee Ferb asked the Board to approve negotiated Tax Certiorari settlements.

Upon a motion by Trustee Ferb, seconded by Trustee McHeffey, and unanimously carried, the Board granted approval of Tax Certiorari settlements totaling one hundred, twenty-one thousand, five hundred dollars (\$121,500) for the following properties:

- 138 E. Main Street – thirty-three thousand dollars (\$33,000)
- 210 West Main Street- twenty thousand dollars (\$20,000)
- 252 E. Main Street – twenty-seven thousand dollars (\$27,000)
- 152 Medford Avenue – fifteen thousand dollars (\$15,000)
- 10 Lake Street – five thousand dollars (\$5,000)
- 50-54 West Main Street – twenty-one thousand, five hundred dollars (\$21,500)

Trustee McHeffey wished everyone a Happy New Year.

Trustee McHeffey reviewed the Building and Housing Department report for December 2022 as follows: 5 building and housing summonses were issued; 8 plumbing permits issued; 21 building permits issued; no demolition permits issued; 9 rental permits issued; 12 notices of violation issued; 15 complaints received; 1 illegal dwelling, no overcrowded properties; 4 Planning Board applications received; 3 Zoning Board applications received; and 5 Architectural Review Board applications received.

Trustee McHeffey noted that the illegal dwelling notice was for someone who was attempting to convert a garage into living space, and he reminded everyone that this was not permitted.

Trustee McHeffey then reviewed the CDA report. The CDA monthly meeting was held on January 5th where a public hearing was held for Community Development Block Grant projects for the coming years. A review of the CDA's long range plan was also conducted, and updates to that plan were expected to be made at the February meeting. The updated plan would then be submitted to the Town of Brookhaven. Trustee McHeffey noted that plans for the Promenade of the Arts Archway, which was being partially funded by the CDA, were being reviewed. Trustee McHeffey continued by noting that the Section 8 Housing Voucher Lottery was held at the end of 2022. Out of thousands of applications that were received, three hundred (300) were selected, and notices were being sent out. Hopefully, all of the notices would be sent out by the end of January.

Trustee McHeffey asked the Board to approve fees for Temporary Housing Trailers pursuant to Section 283-47 and Sections 435-48 through 53 of the Village Code.

Upon a motion by Trustee McHeffey, seconded by Trustee Ferb, and unanimously carried, the Board granted approval of the following fees for Temporary Housing Trailers pursuant to Section 283-47 and Sections 435-48, 49, 50, 51, 52 and 53 in the amount of two hundred fifty dollars (\$250) for a six (6) month permit with the opportunity for two (2) three (3) months renewals for an additional two hundred fifty dollars \$250 each renewal.

Trustee McHeffey noted that at the end of 2022 the Board had adopted legislation allowing temporary housing units on properties under certain circumstances. This change provided the Building Department fees for the permits for these units.

Trustee McHeffey asked the Board to approve an increase to the hourly wage of the Housing Quality Standards Inspector. He noted that this salary was paid through the Section 8 administrative fees budget. Mayor Pontieri noted that Mr. Franco spoke Spanish and provided valuable assistance to the CDA.

Upon a motion by Trustee McHeffey, seconded by Trustee Ferb, and unanimously carried, the Board granted approval to increase the hourly wage of Frank Franco, Housing Quality Standards Inspector, by one dollar (\$1.00) per hour to a total wage of twenty-five dollars, thirteen cents (\$25.13) an hour effective January 1, 2023.

Trustee McHeffey asked the Board to approve appointing a Senior Office Assistant in the Building Department. Mayor Pontieri noted that this was a Civil Service position.

Upon a motion by Trustee McHeffey, seconded by Trustee Brinkman, and unanimously carried, the Board granted approval to appoint Amanda Carreras as a Senior Office Assistant in the Building Department at a rate of thirty-four dollars, seventy-nine cents (\$34.79) per hour, effective immediately.

Trustee McHeffey asked the Board to approve Proposal No. VOP-2023-01. Village Attorney Egan noted that this action had been taken for many years. This engineer provided services required under the Federal Clean Water Act and training of staff as required

Upon a motion by Trustee McCaffrey, seconded by Trustee Ferb, and unanimously carried, the Board granted approval for Brian M. McCaffrey, Proposal No. VOP-2023-01 to Administer the Village of Patchogue's Stormwater Management Program in accordance with the New York State Department of Environmental Conservation's State Pollutant Discharge Elimination System (SPDES) General Permit for Stormwater Discharges from Municipal Separate Storm Sewer Systems (MS4) for the annual reporting year of March 1, 2023 to February 28, 2024 billed hourly at a rate of one hundred (\$100) per hour for a total of two thousand four hundred dollars (\$2,400).

Trustee Carillo wished everyone a Happy New Year.

Trustee Carillo asked the Board to ratify prior approval to hire a part-time Guard (front door greeter).

Upon a motion by Trustee Carillo, seconded by Trustee Ferb, and unanimously carried, the Board ratified prior approval to hire Stefania Teran as a Part-Time Guard (front door greeter).

Trustee Carillo asked the Board to approve an event.

Upon a motion by Trustee Carillo, seconded by Trustee Brinkman, and unanimously carried, the Board granted approval for the Patchogue Lioness Lions Club to hold its 19th Annual Walk for A Guide Dog through Patchogue Village on Sunday, May 21, 2023 from 9:00 a.m. to 10:30 a.m. with a route beginning and ending at the Patchogue Elk's Club at 14 Oak Street.

Trustee Carillo indicated that the Midnight on Main event had been phenomenal.

Mayor Pontieri asked if anyone from the public wished to be heard.

Richard Kemp, Jennings Avenue, wished everyone on the Board a Happy New Year. He then expressed concern about the excessive volume of noise coming from the Blue Point Brewery. Mr. Kemp also suggested that outdoor music be stopped by 10:00 p.m. as he felt that 11:00 p.m. was much too late. Mayor Pontieri stated that he would take this under consideration.

Mr. Kemp noted that he had not yet heard anything from the Parks Department with regard to the proposed Civil War weekend. Trustee Keyes stated that they had been having an email correspondence, and he was waiting for Mr. Kemp to contact him to set up a meeting between him and other representatives of his organization. Mr. Kemp indicated that he had spoken with Bill Hilton and informed him that the members of his organization were available on weekends. Trustee Keyes noted that the Parks Department staff worked during the week, but he asked Mr. Kemp to send him a date for the meeting. Mr. Kemp stated that he would do so once he got home.

Mr. Kemp expressed concern about streetlights being out along North Ocean Avenue on a regular basis. Mayor Pontieri stated that he would have the Village's electrician look into this

issue.

Mr. Kemp then asked to speak with Village Attorney Egan for a few minutes after the meeting.

Upon a motion made by Trustee Ferb, seconded by Trustee Brinkman, and unanimously carried, the meeting was adjourned at 6:50 p.m.

vp

Signed _____
Lori Devlin, Village Clerk
